

LUCERO GONZALES GANDOLFO
FRONTEND DEVELOPER

Email: luc erogoga@icloud.com | Phone: +1 2062504429 | Direction: [Olive way 809, Seattle, WA](#)
Github: [luc erogoga](#) | Visa Status: L2S

I'm a frontend developer with a passion for building responsive web applications that work seamlessly across different devices and screens. I thrive on taking on challenging projects that push me to learn and grow. I'm always on the lookout for new technologies and techniques to add to my toolkit, so I can create innovative solutions that make a real difference in people's lives.

WORK EXPERIENCE

PROMART | Frontend Developer | Apr 2022 – Apr 2024

- Collaborated with UX/UI designers to implement responsive designs and optimize user interactions.
- Developing custom components, like carousels, to enhance user engagement.
- Refactor existing code into high-quality code and Implement automated e2e testing with cypress.
- Maintain project quality contributing to team guidelines.
- Rewrote quotation module from internal CRM from scratch.

Stack: React, Next, Vue 2, Nuxt, Tailwind, Typescript, Styled Components, React Hooks, Cypress, Bitbucket.

OCEAN SRL | Technical Support | Feb 2020 – 2021

- Conducted usability testing to ensure system efficiency and user satisfaction.
- Implemented custom designs and layouts to enhance user experience.
- Utilized Illustrator to design and develop visual content.
- Successfully managed social networks, increasing online presence and digital reach.

Stack: HTML, CSS, Filmora, Adobe Illustrator, Photoshop, Canva, Facebook Manager Ads.
